## Trainers

### Godfrey Town (GCG Healthcare Ltd)

Godfrey Town is an independent RPA2000 certificated Laser Protection Adviser (LPA). For five years, he was an owner-manager of a successful UK private laser & IPL clinic where he also worked as a clinical technologist. He has presented many seminars to groups of therapists and clinicians, authored a comprehensive Laser Hair Removal Clinic Operating & Training Manual and published numerous clinical and scientific articles on laser and IPL therapy in international peer-reviewed journals. He is a Fellow of the American Society for Laser Medicine and Surgery and a member of the European Society of Laser Dermatology and British Medical Laser Association.

### Steve Hill (Steve Hill Scientific)

Steve Hill has been involved with laser safety since 1984 and is a former co-owner of a cosmetic laser clinic. He has run his own consultancy since 1999, providing safety advice to hundreds of users of laser and IPL systems since that time. He has also run many "Core of Knowledge" and other courses for users of lasers and IPL's, and has worked closely with Healthcare Commission inspectors to assist in the successful registration of clinics. He is an RPA2000 certificated Laser Protection Adviser.

### Pete Cole (CSC Ltd)

Pete Cole is an RPA2000 certificated Laser Protection Adviser (LPA) with over 10 years experience of providing advice in the healthcare sector. His consultancy supports over 100 clients throughout the UK including beauty salons & clinics, private hospitals, and private medical practices. He is a lecturer at The University of Liverpool, a member of The British Medical Laser Association and sits on The Society of Radiological Protection's Topic Group on Non-Ionising Radiation.
